How to Make the Move to a More Luxurious Way to Travel

You love travelling, but you're ready to up your game. Perhaps you've seen what may be viewed as the best hotels, eaten at some of the most superb restaurants, and taken in most of the tourist attractions. But there's so much more out there for you to experience!

It can be intimidating to think about taking your trips to a whole new level—but we're here to help! Check out the below examples of how to shift from a 'run of the mill' travel vacation to first-rate getaways....

Swap the Caribbean Islands for the Maldives

The Caribbean islands are a popular vacation destination, and rightfully so, as they offer a variety of sunny experiences. However, the Maldives present a more discreet experience. This tropical paradise (located in the heart of the Indian Ocean) is known for its turquoise waters, white sand beaches, and fascinating overwater bungalows. The Maldives set themselves apart from other destinations because the islands are extremely isolated, as you'll need to fly a long way just to arrive, and they're some of the most beautiful beaches in the world. The service is amazing and most importantly there's an exclusivity factor —you can't just book a trip to the Maldives like you would a trip to Hawaii or Europe. You'd need to strategically plan ahead due to the limited availability and high demand.

Escape the rush of New York and embrace the grandeur of Dubai

While New York City is a bustling and exciting destination, Dubai offers something that you won't find anywhere else. Located in the United Arab Emirates, Dubai is a city that possesses a grand and lavish lifestyle with the world's most modern amenities. The moment you arrive at Dubai International Airport, you'll notice the airport itself is a work of art which sets the tone for the entire experience. From towering skyscrapers to opulent shopping malls, Dubai is a city that doesn't do anything by halves. You can shop for designer brands, indulge in gourmet cuisine, and take in stunning views from the top of the Burj Khalifa, the world's tallest building. A trip to this desert oasis is sure to have you feeling upgraded.

If you like Sedona, you'll love Amangiri

Amangiri provides a luxurious and serene escape that rivals the beauty and tranquillity of Sedona. While Sedona is known for its stunning red rock formations and spiritual energy, Amangiri offers a more secluded and exclusive encounter. The resort is tucked away in the desert canyons of Utah. Amangiri offers breathtaking views of the surrounding landscape, with exquisite suites and distinctive villas that blend seamlessly into the natural environment. You can take a dip in the resort's stunning pool, explore the nearby canyons and national parks, or simply relax and soak in the beauty of the desert. There are plenty of opportunities to connect with nature, from hiking through the desert to stargazing at night.

Why just ski? Grab your own villa in Switzerland

Skiing in the United States is a popular winter activity for many. But it lacks the stunning alpine scenery and world-class skiing facilities of Switzerland. For those who love winter sports, renting a villa in Switzerland is the way to go. With access to some of the best skiing destinations in the world, your own villa provides a chic vacation twist like no other. There are plenty of incredible villas that offer spectacular views of the Alps. And when you're ready to unwind, retreat to your sumptuous villa for some well-deserved rest and relaxation. We're talking about the Swiss Alps here.....level-up achieved!

From cruise vacations to chartering a yacht

Cruises can be a great way to see multiple destinations in one trip, but they can also be overcrowded and lack the personalised touch of affluent travel. Instead of a cruise, take your travel experience up (a few hundred notches) by chartering a yacht. YES, we said it....charter that yacht! You can choose from a range of vessels, from sleek modern yachts to traditional sailing boats, and customise your itinerary to suit your preferences. This allows you freedom to explore some of the world's most stunning coastlines in style, at your leisure, and with a crew to cater to your every need. Whether you're looking to explore the Mediterranean, the Caribbean, or somewhere else entirely, there's not a finer way to do it than from the comfort of your own yacht.

Private islands outshine resorts

For those looking for the ultimate in personalization and exclusivity, renting a private island all to yourself is the ultimate indulgence, with no distractions or interruptions to worry about. Swim in the clear blue waters, take long walks on the pristine beaches, and watch the sunset from your own villa. Whether you're seeking a secluded getaway for a romantic escape or a tropical paradise for a family vacation, private islands provide a one-of-a-kind experience that allows you to disconnect from the rest of the world and enjoy all the natural beauty that surrounds you.
